

The auction times are listed below. We are asking for people to arrive only at their scheduled registration time. For example, if you are bidding on parcel number 19, you would need to arrive in time for the beginning of registration at 12:20pm. If you arrive a few minutes ahead of time, you will be asked to remain in your vehicle until it is your registration time.

There will be one way to enter the building and one way to exit. As you enter, you will check in at the registration table, and be given your bidder number. You will then be directed to be seated in the chairs that are provided until the auction time.

****Please also be advised that parcel #'s 22-29, 33, and 42 have all been pulled from the tax sale.****
